

**WELCOME TO**

**South Court**

**Environmental**

**WHAT**

**IS**

We're a not-for-profit 'Co-operative' with local focus: Here in **NORTHAMPTON**. One focus is **PEOPLE**, another is local **ENVIRONMENT** and **WILDLIFE**. So we have the local community helping us, joining as **MEMBERS** or working with us as **VOLUNTEERS** in the wildlife work, & in our work of growing healthy organic food & sharing that in the community too.

**WHAT**

**DOES**

Each week, actually each day, we go on site to some of our six sites in Northampton, meet with volunteers and get busy. Busy with all sorts: from tree-planting, tending crops, hedge-laying, composting, bee-keeping, path care, or just helping folk understand & work with their own environment & do themselves some good too. Busy too with our local museum *“Up In The Barn”* for local people. It freshens older people’s memories & lengthens younger people’s.

# WHAT ELSE

SCE likes to keep local customs alive. So we invite all & sundry to our special events. Wassailing the Apple Trees, Enjoying 'Nettle Nosh' (*Ask!*), Celebrating the Mad & Merry Month of May, Spuds + Sparklers at Fire-tide, October's Apple Day, and Ancient Christmas.

Members get personal reminders of these and a dozen other events a year as well. Plus reduced rates on goodies: Fruit & Honey, Booklets & Training &, & more.

# How can I learn more and join in with

You can join SCE as a member, or members, or even join as an organisation. **Ask for Membership details.**

You can volunteer with us, outdoors or in *“Up In The Barn”* and in other ways! **Ask for Volunteering details.**

You can visit many SCE sites, but **ASK FIRST** please.

And find out more from **[www.scenorthampton.org](http://www.scenorthampton.org)**.

And here's some extras >

# Some 'extras' about

SCE has special sub-groups

***GROUP BEE*** on bumblebees, wild bees & bee-keeping

***APPLE CAUSE*** on 'Anything Orchard' eg orchard care
